The Fifteenth Judicial Circuit Law Library is pleased to announce the opening of a branch Law Library in the North County Courthouse, 3188 PGA Blvd., Room 1426, Palm Beach Gardens. The Law Library provides a legal resource access point for Palm Beach County residents, Judges, attorneys, students, local government officials, and self-represented patrons who use the North County Courthouse.

The Law Library offers legal reference and referral services within the guidelines of Florida Statutes Chapter 454. The goal of the Law Library staff is to provide patrons with accurate, up-to-date legal resources in a primarily user-friendly electronic format. The Library features legal resources, CLE CD Rentals, Westlaw access, a lounge space, ideal for attorney/client meetings, and workstations with a WI-FI connection.

An Open House will take place on Wednesday, October 25 at 11:00 a.m. Please join us to view the new law library and learn about the services offered. Light refreshments will be served. On Wednesday, October 25 at 3:30 p.m., Palm Beach County Clerk of Court Self Service Administrator Karina Rodriguez-Matzen will present a workshop on Dissolution of Marriage. Throughout the week library staff will provide assistance and demonstrate the process for e-filing court documents. Join us if you are able.
