Benefits of

Family DRUG COURT

Services Provided

- Assess your needs for right treatment
- Help you navigate through court process
- Work in partnerships with qualified providers to meet family needs
- Family Intervention

Our Mission

The mission of the Palm Beach County Family Drug Court is to decrease the incidence of child abuse and neglect, intervene in the family risk factors, and reduce the likelihood of negative outcomes for the children by addressing the substance use of the parents and the service needs of the children.

***It May Seem Challenging,
But With The Right Support
YOU Can Do It!***

What Is It?

The Family Drug Court is a special voluntary-based court program for families in the dependency system designed to help you and your children get back together and stay together.

This program will also help to make sure that while you are in treatment you stay in contact with your children and plan for their future.

By working together, we can help you break the cycle of addiction and build a better life for yourself and your children.

How We Help You

As you work through treatment you will also progress through phases of participation here at the Court. Each phase has specific requirements for advancement.

How quickly you move through the phase depends on how well you are doing on your case plan and in treatment.
